The Philippines is a unique destination and the perfect place for outdoor enthusiasts, with every activity from white-water rafting to hiking. More sedate pursuits can include historic tours, culinary discovery, shopping, wellness, spa or beauty treatments and visits to natural UNESCO Heritage treasures. It's also a tropical paradise with one of the longest coastlines in Asia with mostly fine powdery white sand beach and clear blue waters. Filipinos are naturally hospitable, friendly and cheerful people, where a foreigner arrives as a tourist and leaves as a friend.

The Philippines offers rich and appealing cultural and natural attractions – yet is unexplored and untapped. Our tours are designed for those who seek a new dimension to their travel experiences and are ready to embrace a new world of interest and passion, while experiencing The Philippines at its best!
